## MEMORANDUM

DATE: June 20, 2017

TO: All EPA, State, Tribe, & Local UST Regulatory Staff

FROM: Heather Peters, Chair of the National Work Group on Leak Detection Evaluations (NWGLDE)

RE: Next Meeting of the NWGLDE  
William A. Snodgrass Tennessee Tower  
312 Rosa L. Parks Boulevard  
Nashville, Tennessee  
October 11-13, 2017

The NWGLDE would like to invite all interested EPA, State, Tribe, and Local UST Regulatory Staff to attend our next meeting of the NWGLDE. The meeting will begin at 8 a.m. on Wednesday, October 11, 2017, and end at 12 noon on Friday, October 13, 2017. The meeting will be held at the William A. Snodgrass Tennessee Tower, address above.

This is a great opportunity to learn about the latest developments in the area of UST leak detection. You are welcome to attend any portion or all of the meeting. I would highly recommend attending the Thursday morning session from 8 a.m. until noon. During this portion of the meeting, vendors and/or evaluators are given the opportunity to make presentations to the work group. This is often an interesting and informative portion of the meeting. By the time the meeting begins, the vendor/evaluator agenda may be full. Updated revisions to the agenda vendor/evaluator presentation listing will be posted on our web site at [www.nwglde.org/news\\_and\\_events.html](http://www.nwglde.org/news_and_events.html) as the information becomes available.

If you are an EPA, State, Tribe, or Local UST Regulatory Staff person interested in attending our meeting, please contact me at (573) 751-7877 or by e-mail at [heather.peters@dnr.mo.gov](mailto:heather.peters@dnr.mo.gov).

If you wish to stay at the hotel where the meeting will take place, make reservations with the Homewood Suites by Hilton Nashville-Downtown. The address is 706 Church Street, Nashville, TN. The address is shown above. You may call (800) CALL-HOME to make reservations.
