MEMORANDUM

DATE: July 1, 2018

TO: All EPA, State, Tribe, & Local UST Regulatory Staff

FROM: Heather Peters, Chair of the National Work Group on Leak Detection Evaluations (NWGLDE)

RE: Next Meeting of the NWGLDE
Galt House Hotel
140 North Fourth Street
Louisville, Kentucky, 40202
September 13-14, 2018

The NWGLDE would like to invite all interested EPA, State, Tribe, and Local UST Regulatory Staff to attend our next meeting of the NWGLDE. The meeting will begin at 1:30 pm, after the National Tanks Conference on Thursday, September 13 and end at 3:00 on Friday, September 14, 2018.

This is a great opportunity to learn about the latest developments in the area of UST leak detection. You are welcome to attend any portion or all of the meeting. I would highly recommend attending the Thursday afternoon open session from 1:30-5:00 pm. During this portion of the meeting, vendors and/or evaluators are given the opportunity to make presentations to the work group. This is often an interesting and informative portion of the meeting. By the time the meeting begins, the vendor/evaluator agenda may be full. Updated revisions to the agenda vendor/evaluator presentation listing will be posted on our web site at www.nwglde.org/news_and_events.html as the information becomes available.

If you are an EPA, State, Tribe, or Local UST Regulatory Staff person interested in attending our meeting, please contact me at (573) 751-7877 or by e-mail at heather.peters@dnr.mo.gov.

If you wish to stay at the hotel where the meeting will take place, make reservations with the Galt House Hotel. The address is shown above.
